

# SMOKING

Town of Seekonk Board of Health - Youth Possession Regulation  
Voted and passed unanimously by the Board of Health on July 8, 1997.

The Board of Health, pursuant to the authority granted under Massachusetts General Laws, Chapter 111, Section 31 hereby adopts the following regulation to protect the public health of the community.

## Section 1: Statement of Purpose:

Whereas conclusive evidence exists that: tobacco use among minors is a leading public health problem in the Town of Seekonk and throughout the United States; tobacco use causes cancer, respiratory diseases, various cardiac diseases and low birth weight. Smokers and non-smokers exposed to second hand smoke have experienced allergies and irritations to the eyes, nose and throat.

More than eighty percent (80%) of all smokers begin smoking before the age of eighteen (18) and more than three thousand (3,000) people begin smoking every day in the United States. In addition, the United States Department of Health and Human Services concluded that nicotine is as addictive as cocaine or heroin. As a result, the Town of Seekonk recognizes the need to curtail the use of tobacco products by minors, and therefore, enacts the following regulation.

## Section 1.1 Authority

The Board of Health, pursuant to the authority granted under Massachusetts General Laws (M.G.L.), Chapter 111, Section 31 hereby adopts the following regulation to protect the public health of the community.
